Agenda Package

Board of Supervisor Regular Meeting

Date & Time: Thursday, February 8, 2024 6:30 PM

Heritage Harbor Clubhouse 19502 Heritage Harbor Parkway Lutz, FL 33558

Note: The Advanced Meeting Package is a working document and all materials are considered <a href="https://document.org/deceptance">DRAFTS</a> prior to presentation and Board acceptance, approval or adoption.

# **Stonebrier Community Development District**

250 International Parkway, Suite 208 Lake Mary, FL 32746 321-263-0132

**Board of Supervisors Stonebrier Community Development District** 

Dear Board Members:

The Regular Meeting of the Board of Supervisors of the Stonebrier CDD is scheduled for Thursday, February 8, 2024, at 6:30 P.M. at Heritage Harbor Clubhouse, 19502 Heritage Harbor Parkway, Lutz, FL 33558.

An advanced copy of the agenda for the meeting is attached, along with associated documentation for your consideration. Any additional support material will be forwarded to you under separate cover or distributed at the meeting.

Should you have any questions regarding the agenda, please contact me at (321) 263-0132 X-737 or sviera@vestapropertyservices.com. We look forward to seeing you at the meeting.

Sincerely,

Sydney Viera Sydney Viera District Manager

#### NOTICE OF BOARD OF SUPERVISORS REGULAR MEETING Notice is hereby given that a regular meeting of the Board of Supervisors of the Stonebrier Community Development District (the "District") will be held on Thursday, February 8, 2024, at 6:30 p.m. at the Heritage Harbor Clubhouse, 19502 Heritage

STONEBRIER COMMUNITY DEVELOPMENT DISTRICT

Harbor Parkway, Lutz, FL. The purpose of the meeting is to discuss any topics presented to the board for consideration. Copies of the agenda may be obtained from the District Manager, Vesta District Ser-

vices, 250 International Parkway, Suite 208, Lake Mary, Florida 32746, Telephone

(321) 263-0132, Ext. 285. The meeting is open to the public and will be conducted in accordance with the provisions of Florida law for community development districts. The meeting may be continued in progress without additional notice to a date, time, and place to be specified on the record at the meeting. There may be occasions when Staff and/or

Supervisors may participate by speaker telephone. Pursuant to provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in the meeting is asked to advise the District

Manager's office at least forty-eight (48) hours before the meeting by contacting the District Manager at (321) 263-0132, Ext. 285. If you are hearing or speech impaired, please contact the Florida Relay Service at 711, for assistance in contacting the District Manager's office. A person who decides to appeal any decision made at the meeting, with respect to any matter considered at the meeting, is advised that a record of the proceedings is needed and that accordingly, the person may need to ensure that a verbatim record

of the proceedings is made, including the testimony and evidence upon which the

24-00214H

appeal is to be based. Stonebrier Community Development District Tish Dobson, District Manager

(321) 263-0132, Ext. 285

### **MANAGEMENT SUMMARY**

With February almost here, temperatures continue to fluctuate between warm and cold. Mornings and night temperatures are still relatively cool (50-60), and daytime temperatures range from being a normal warm Florida day to a chilly, cloudy day. The growth rate for both algae and nuisance plants are still slower than usual as a result of the weather, giving technicians the ability to make headway in more overgrown areas. Rainfall events are less frequent and have been few and far between, and with only the occasional isolated event; the water levels of most ponds has decreased as a result of the recent weather. Decreased rainfall provides assistance in the growth of algae, as well as decreased nighttime temperatures extending the time it takes for treated algae to decay (beyond the usual 7-10 day period).

On this visit, nearly all ponds noted were in great condition. Algae was present in very minor amounts, if any. Nuisance grasses are still present in moderate amounts on exposed banks and littoral shelves, most of which did appear to be decaying and will continue to be routinely treated. Some forms of vegetation that are present in the ponds are dormant due to the recent decreased temperatures. Our technicians will continue to monitor and treat any new growth that pops up.

### **RECOMMENDATIONS**

Continue to treat ponds for algae, administer follow-ups to ponds experiencing extended decay times.

Administer treatments to any nuisance grasses growing along exposed shorelines and within beneficial plants.

Continue to apply treatment to overgrown littoral areas.

Avoid overtreating ponds, to prevent fish kills or toxic blooms.

Stay alert for debris items that find their way to the pond's shore.

Thank you for choosing Steadfast Environmental!

# STONEBRIER COMMUNITY DEVELOPMENT DISTRICT NOTICE OF BOARD OF SUPERVISORS REGULAR MEETING

Notice is hereby given that a regular meeting of the Board of Supervisors of the Stonebrier Community Development District (the "District") will be held on Thursday, December 14, 2023, at 6:30 p.m. at the Heritage Harbor Clubhouse, 19502 Heritage Harbor Parkway, Lutz, FL. The purpose of the meeting is to discuss any topics presented to the board for consideration.

Copies of the agenda may be obtained from the District Manager, Vesta District Services, 250 International Parkway, Suite 208, Lake Mary, Florida 32746, Telephone (321) 263-0132, Ext. 285.

The meeting is open to the public and will be conducted in accordance with the provisions of Florida law for community development districts. The meeting may be continued in progress without additional notice to a date, time, and place to be specified on the record at the meeting. There may be occasions when Staff and/or Supervisors may participate by speaker telephone.

Pursuant to provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in the meeting is asked to advise the District Manager's office at least forty-eight (48) hours before the meeting by contacting the District Manager at (321) 263-0132, Ext. 285. If you are hearing or speech impaired, please contact the Florida Relay Service at 711, for assistance in contacting the District Manager's office.

A person who decides to appeal any decision made at the meeting, with respect to any matter considered at the meeting, is advised that a record of the proceedings is needed and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which the appeal is to be based.

**Stonebrier Community Development District** 

Tish Dobson, District Manager (321) 263-0132, Ext. 285 December 1, 2023

23-03621H

Attention: If you are a government agency and you believe that you qualify for a 15% discount to the second insertion of your notice per F.S. revision 50.061, please inform Kristen Boothroyd directly at 941-906-9386 x323.

EXHIBIT 14

## **Aquatics Maintenance**

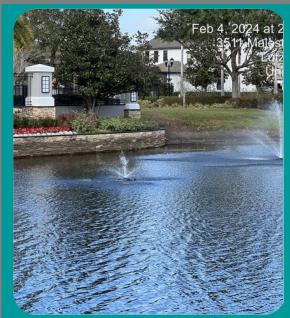

**Pond Management:** Even with the recent rain events, the water levels are lower than expected; however, these conditions allow for continual eradication of undesirable vegetation.

**Fountains:** At the time of this report, Steadfast is assessing the center fountain as it was pulsating, and the height of the spray was roughly 18 inches high.

## **Landscape Maintenance**

Annuals: The holiday annuals are loving the current environmental conditions. Hedge Line and Small Shrub Trimming: The pruning was completed to spec; however, some of the hedges are thinner at the bottom. Recommend pruning the bottom of the shrubs a little fuller than the top to allow sunlight to filter to the bottom of the shrub. This will improve the overall health of the shrub/hedge line.

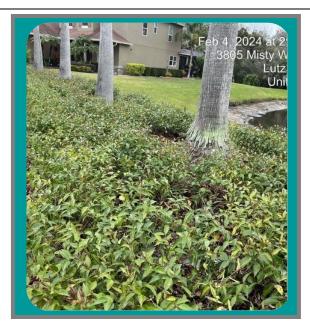

## **Landscape Maintenance** (Continued)

**Maintenance of Beds:** The beds were edged according to spec and the mulch was a vast improvement visually and with weed control. The Juniper sprouts should be trimmed off the sidewalk. **Picture 2** 

Annual Beds: Recommend manual weed control in the annual beds. Picture 4

## Landscape Maintenance (Continued)

Irrigation: All drip line should be secured. Picture 1

**Turf:** Areas of St. Augustine turf along County Line and at the roundabout is showing signs of stress. Recommend an irrigation inspection. **Picture 2** 

Ants: The ants are overly abundant in the roundabout, especially around the landscape lighting. Picture 3 Dead Vegetation: Standing recommendation: Remove dead vegetation and replace the newer vegetation under "warranty work." Picture 4

All recommendations and concerns are being addressed by the RedTree Team.

## **District Manager Updates & Action Items**

## **January Recap**

### > FY 2024/2025 Budget:

Currently assessing trends to recommend decreases and / or increases in regard to specific line items, as the budget season is rapidly approaching.

#### > Irrigation:

Recommend frequent irrigation inspections throughout the property, as there are pockets of stressed St. Augustine turf.

Broken irrigation lids (1). Location: Sunlake / Misty Willow Way

#### Moss:

The Crepe Myrtles continue to show signs of new moss growth throughout the community. Timely removal was recommended.

### No Thru Truck Signage:

Hillsborough County approved the addition of "No Thru Truck" signage along Sunlake Blvd. and is on order for installation.

#### > Roundabout Lighting:

Ant mounds continue to plague the roundabout landscape lighting. Continual treatment is in progress.

#### > Site Visits:

1/8, 1/11, 1/14, 1/18, 1/21, 1/29, 2/4.

### Sunlake Bridge Lighting:

The installer repaired a couple of cut lines and buried the lines. The color of the lights was also changed, per the Board's request. Social media chatter regarding the "red" lighting was brought to my attention. Recommend adding an additional color to the pallet next January, just to keep the "red light district" chatter at a minimum.

#### Weeds / Vines:

Very few weeds this month, which can be attributed to the addition of the new mulch; however, a few annual beds require manual weed control, as mentioned previously.
